Reached out to Mike Keyser to try and get a quote for a different Laptops to Go kiosk. Emailing COPA Dean Ongaro to discuss how COPA structures their program advisors. Emailed Vice President Ngnomire to join the Constitutional Review Committee. Discussing plans for Grad Fair and inclusion of grad schools with Brian Lacey.
      v. Speaker Brooks: Worked with the Accounting Society to provide clarification about the requirements about using outside food vendors. Reached out to the Argyros School of Business & Economics to see if the college can provide any funding to the Accounting Society’s events and was told by Stacey Moynahan that her department does not have the budget to support them. Speaker Brooks was then redirected to Gabriela Castaneda and is awaiting a response to his proposed meeting times. He is presenting about SGA during the RA/FCA Staff Development on October 12th. He has also finalized a presentation about the SGA funding process for the President's Meeting on October 12th. In addition, he is encouraging
Student Organization Senators to give the presentation as it would be a
great way to connect with the organizations that they represent. Lastly, he
reached out to Apple to discuss integrating their wallet with student ID's.
He is also planning on reaching out to Blackboard as well.

vi. **Senator Mason:** No updates this week.

vii. **Senator Katz:** Had her first office hour where she kept track of who she
talked to/their contact info/what the issue was. Scheduled a meeting with
David Sundby to discuss improving dorm amenities. Also scheduled a
meeting with Max to discuss social media strategies and publicizing her
initiatives. Senator Katz has been communicating with Sustainability on
getting water bottle filling stations in Pralle-Sodaro Hall and is currently
creating a presentation to SGA to request funding for 2 units. She has have
been working with Glass Hall to address their needs when it comes to
water/other dorm amenities, including going to their Hall Council meeting
last night. She also joined the Advisory Group on Military Affiliates, and
will be attending their first meeting this week.

viii. **Senator Patel:** Sent an email to Sodexo asking them about the possibility
of extending meal plan hours and giving them a suggestion of how we
could assess demand - so that they would be more inclined to extend meal
hours. She created a suggestion poll on Instagram where 35 people
replied, requesting to keep dinner at least till 7:30. Senator Patel contacted
Senator Amid to send begin gathering past contacts regarding this issue.
She is also planning on creating a survey to formally assess this demand,
and to reach a wider audience of students. She is attending a meeting with
Senator Katz to talk to Dave Sundby (RLFYE Director) about new
furniture in residence halls, etc. She is also working on a project to
provide relief efforts for people affected by Hurricane Florence with Justin
Koppelman (Associate Director for Civic Engagement), and several other
students, and might request for funding in Senate for an event to raise
funds (using Circle K as a sponsor) if need be.

e. **Executive Council**

f. **Outside Committees**

IV. **New Business**

a. **Funding Request: Olive Tree Initiative**
   i. This conference already took place, but there was an internal mix up.
   ii. Allocation Committee Recommendation: Fund in full
   iii. Saba Amid: Who went on this trip? Exec board, or normal members?
      1. Those who attended were on the exec board, but unfortunately one of the
         members who was supposed to attend had a mix up at the airport, thus
         only three of the four who were supposed to attend this conference
         attended.
   iv. Motion to Fund in partial for the amount of $2250.00
      1. Motion: Saba Amid
      2. 2nd: Summer Khatib

b. **Chapman Grand Advisory Committee**
   i. Concerns to address
      1. Shuttle Schedule
         a. Max Chang: What time does the schedule go until?
            i. Saba Amid: 12:30AM on weekdays.
ii. Dylan: There are significantly less times on the weekends, in comparison to that of the weekdays.

iii. Wil Harris: Something else I just noted is the schedule is not public at all on the website. This needs to be updated.

2. Staffing Downstairs
3. Study Space
4. Social Interaction

ii. Alex Ballard: What made you want to make this a committee rather than tackle this as an initiative?
   1. Saba Amid: There is only so much that I can do as one person, and that we can do as a senate. We need to actually have people who live there and interact with one another make decisions for the 300+ residents of Chapman Grand.

iii. Arianna Ngnomire: How many students do you want on this committee?
   1. I would like to try and see the interest first, but ideally 6-8 students.

iv. Alex Ballard: Would you be chairing the committee?
   1. Yes, if necessary. If any of the other senators who live in Chapman Grand are interested in chairing this committee that would be wonderful as well.

v. Tyler Brooks: Hall Council vs Chapman Grand Advisory Committee, will they be bunched together?
   1. Saba Amid: If they want to participate in the Advisory Committee they are more than welcome to be a part of both.

V. Open Forum
   a. Dylan Derakhshanian: Commuter students want a place to rest.
      i. Jamie Chang: What happened to the nap pods?
         1. Mitchell Rosenberg: If you can find somewhere they will fit, let me know. At this time, what is stopping us is lack of space.
      ii. Alex Ballard: As a commuter student I can agree that I would also love it if there were a rest area.
      iii. Summer Khatib: Are there any thoughts on the creation of a Commuter Advisory Committee?
         1. Saba Amid: Yes, this kind of committee would be beneficial.
   b. Mitchell Rosenberg: We began interviews this week for Yearbook Chief and Editor and they will likely be chosen by next week. Following this you all will vote on them. Contracts have been officially signed, and there a lot of great candidates.
   c. Mitchell Rosenberg: We are in the process of gathering information on Henley basement fitness expansion. Formal report will be submitted to you all, and then the administration.
   d. Max Chang: Spirit of Chapman is closing tonight at 8PM, nominate your senior friends, or if you are a senior, nominate yourself.
   e. Alex Ballard: Wil, what is the status of your Election Committee?
      i. Wil: I had three, but two were unable to follow through.
      ii. Saba Amid: What is the minimum of people on the elections committee?
         1. There is no minimum, but I would prefer at least seven. There are currently five on the Committee as of right now.

VI. Announcements
Mitchell Rosenberg: There has been a cyber security breach, I would suggest changing your passwords.
