II. Discussion
   1. Charging Stations
      a) Skylar is meeting with Kaelyn Okuhata, the student who is responsible for
         the addition of charging stations in the student union.
   2. Lab Registration
      a) Sophomores are competing with seniors (who have registration priority) to
         get into a lab that is required to stay on track. Priya is working with the
         Assistant Dean of the Pharmacy School to find out what can be done for
         sophomores who need the class.
   3. Transportation to Rinker Campus
      a) Priya and Pammy are contacting transportation services to see about
         providing transportation to Rinker Campus for pharmacy open house.
   4. Language Requirement Fulfillment
      a) Students are graduating without fulfilling their language requirement and
         not receiving their diplomas. Emily is researching different ways to make
         sure students finish their language requirement in time for graduation.
