Mission Statement

The mission of the Academic Advising Center is to cultivate an educational partnership with students, guiding and supporting them toward the development and achievement of their academic goals.
Advising is a shared responsibility between the advisor and the student. Make a point to connect with your advisors on a regular basis!

**ACADEMIC ADVISING CENTER**

**WHO WE ARE AND WHAT WE DO**

If you have a question and are not sure where to go, contact Academic Advising and we will help you! If we are not able to assist you, we will direct you to the appropriate office!
Academic Advising Structure

As a new student, your advising focus should be on meeting with your AAC Academic Advisor and your Major Program Advisor.

ACADEMIC ADVISING CENTER
Degree planning, academic policies, registration, general education, graduation review, program evaluation interpretation, and "the big picture"

PROGRAM ADVISING
Major or minor specific questions

Professional Advising (Academic Advising Center)
- General Education questions
- Program Evaluation review
- Major/Minor Exploration
- Academic policies
- Overview of degree

Program Advising (Major advising)
- Major course requirements
- Major track options and course planning
- Major course availability
- Review of major courses or substitutions

Even if you don’t see a specific name listed in your student center, know that everyone has an Academic Advisor and Program Advisor!

Overview

• What the library provides for students:
  • A productive environment – batteries included!
  • Online access – searchable full-text databases, academic articles, streaming content, e-books
  • Physical formats – books, DVDs, music scores, etc.

• What librarians do for students:
  • Reference Desk – a resource for student questions
  • Subject Liaisons – in-depth research guidance
  • Instruction – teaching students the skills they need to find and evaluate information
Common questions

• Where do I start?

• How do I find scholarly/peer reviewed articles?

• I can’t find anything on my topic. What should I do?
Deeper questions

• Are there more resources on my subject?
• Did I choose the best and most appropriate sources?
• How can I verify that these are scholarly resources?
Be a library advocate

• Is your student struggling or stressed by research?

• Have them contact a librarian!
Library use and Student Success

• “[S]tudents who “read” more, measured in terms of borrowing books and accessing electronic resources, achieve better grades.”

It is more than just a library!

- Visual and intellectual stimulation
- Study Rooms
- Arts and Exhibits
- Renowned speakers
- Discussion of current topics
- Book signings
- Annual Book Sale
As Neil Gaiman said:

“Google can bring you back 100,000 answers. A librarian can bring you back the right one.”
