How to access the Food Pantry in Morlan Hall

In two easy steps:

1. Encode your Chapman Student ID Card
2. Follow the step-by-step directions to the Morlan Food Pantry
Encoding your Chapman Student ID Card

Now that you have been given digital access to the Food Pantry, you need to update (or encode) your Chapman Student ID card with the access from Information Services and Technology (IS&T).

This is a simple and quick process. **Slide your ID card face up, picture first into the encoder →**

The encoder will make some sounds and some lights will flash and then it will quickly give your card back and you should officially have access.
