

How to Select and Confirm Roommates in the Panther Housing Selection Application

Roommate Matching Options

The Roommate Matching Options tool allows you to find and confirm preferred roommates or to browse from suggested, compatible roommates. You will need to check the box under the “Include in Search” section, as well as indicate the screen name you would like to use. You can also enter a description of yourself if there is anything you would like to share not covered within the profile questions you answered (i.e. major, outside interests, contact information, etc.). If you would like to omit yourself from the roommate selection process, simply do **not** check the box. **Note: Applications must be complete for someone to be searchable. You will NOT be searchable/able to search if the corresponding application is not complete. You may log back into your application to utilize the roommate matching tool throughout the time the application is open.**

PREFERRED ROOMMATES MUST BE REQUESTED AND CONFIRMED BY THE TIME THE APPLICATION CLOSES, SUNDAY, MARCH 31st!
