

WILKINSON INTERTERM RESEARCH EXPERIENCE

WHAT IS WIRE?

WIRE is a paid, four-week, on-campus program running from January 6–January 31, 2025. It provides Wilkinson College undergraduate students (major or minor) an opportunity to engage in hands-on research or creative activity under the guidance of a Wilkinson faculty mentor. Students can propose their own project or work as a co-researcher with their faculty mentor.

Opportunity for:

- Faculty mentorship on a research or creative project
- Weekly professional development meetings
- Social networking events
