

WILKINSON MAJORS/MINORS ARE INVITED TO JOIN US FOR A TRIP TO THE

MONUMENTS EXHIBITION

Co-organized and co-presented by MOCA and The Brick, MONUMENTS marks the recent wave of monument removals as a historic moment. The exhibition reflects on the histories and legacies of post-Civil War America as they continue to resonate today, bringing together a selection of decommissioned monuments, many of which are Confederate, with contemporary artworks borrowed and newly created for the occasion. Removed from their original outdoor public context, the monuments in the exhibition will be shown in their varying states of transformation, from unmarred to heavily vandalized.
