**Guggenheim Gallery, Second Floor**  
**Chapman University in Orange, CA**  
**Tab Journal's first and last poetry**  
**exhibit is free and open to the**  
**public. Join us.**

Inspired by Tracy K. Smith's "Declaration," nine poets created erasure poems based on *The Declaration of Independence* and Thomas Paine's *Common Sense* to commemorate the 250th anniversary of the founding documents of the United States. This innovative poetry exhibit launches the 14th and final volume of *Tab Journal*, a collaborative project by Dr. Anna Leahy (Creative Writing) and Prof. Claudine Jaenichen (Design).
