

Creative and Cultural Industries, B.A., Suggested 4-Year Plan

How to use your 4-Year Plan

- This is a suggested 4-year plan for your major and not meant to replace regular academic advising.
- The Plan is flexible and can be changed to accommodate studying abroad, a second major/minor(s) or AP/IB credits.
- You should work with an academic advisor to develop a plan that meets your interests and goals.
- You must earn a minimum of 120 credits to graduate and 48 major -specific credits to earn a B.A. in Creative and Cultural Industries.
- Transfer students and those looking to add B.A. in CCI as a second major should contact the program advisor for degree planning.
- If you have any questions, please contact CCI Chair Kelli Fuery at kfuery@chapman.edu

Suggested 4-Year Plan

- We encourage you to select your General Education (GE) and minor/secondmajor/Themed Inquiry/Honors program around the plan below. Once you fill your GE classes around your major classes, you will have a better idea of space remaining each semester when choosing your Exploration Focus.
- To be enrolled full time, you must take at least 12 credits a semester.
- In order to graduate within 4 years, we recommend you take 30 credits a year.

Year 1

It is recommended students complete two CCI courses per semester.

Fall Semester (6 credits for major)
