From queer theory to queer-bashing, sexual and gender diversity issues have impacted business, the humanities, and the sciences. The Minor in Lesbian/Gay/Bisexual/Transgender/Queer Studies offers students the opportunity to analyze for themselves facts, theories, research, and realities concerning diverse lesbian, gay, bisexual, transgender, and queer people, communities, and activism, and the ways in which race, class, and other dimensions of identity and experience impact LGBTQ people, histories, and politics.
The minor requires a total of 21 credits, including the following core courses:

**HUM 205:** Introduction to Gay/Lesbian/Bisexual/Transgender/Queer Studies  
(3 credits)

**IES 310:** Lesbian, Gay, Bisexual, Transgender, and Questioning Issues in Education  
(3 credits)

**PSY 344:** Gay, Lesbian, and Bisexual Psychology  
(3 credits)

There is a great deal of flexibility regarding the remaining 12 credits. For information about the Minor in Lesbian/Gay/Bisexual/Transgender/Queer Studies, contact the program director, **Dr. Ian Barnard:** barnard@chapman.edu.
